RETURNS TO "TIGERS"

HOWARD EHMKE, DISCHARGED
FROM SERVICE, GOES BACK
TO DETROIT TEAM

Baseball fans and friends of Howard Ehmke will be interested to know that he has been discharged from service at the Submarine Base at San Pedro and that after visiting R. W. Seay and family of 1151 San Rafael avenue, where he has always made his home when here, he left Sunday morning to rejoin "The Tigers" of Detroit, one of the strong organizations of the American League. He will go with them to Macon, Ga., for practice games.

This professional ball player received his initial training at Glendale Union High School and made such a fine demonstration of ability that the Los Angeles organization secured him and later he was drafted by the American League. He has been doing some practice work with the Submarine Base team this year. The professional reputation he has achieved is considered the best possible demonstration of the ground-work students receive in the athletics department of our local high school.

A TRIPLE CELEBRATION

SURPRISE DINNER MARKS ANNIVERSARY OF TWO BIRTHDAYS AND A WEDDING

A "smart" little dinner party as a surprise for William C. Wattles in celebration of his birthday, the natal day of Mrs. Wattles and their wedding day, was pulled off by his guest Wednesday evening. The guests were a party of friends with whom they had once made a very pleasant excursion to Santa Barbara. It was their thirteenth anniversary and Mrs. Wattles considers it a lucky one and says if the next thirteen years of their wedded life are as happy as the past have been they will have no possible occasion for complaint. Jonquils and fresas were employed in the floral decoration of the handsomely appointed table, and a birthday cake was an important feature of the function.

CLOTHING FOR NAKED

SCHOOLS DO GOOD WORK IN
RED CROSS CLOTHING
DRIVE

The big dray-loads of clothing which began to arrive at the Red Cross warehouse back of the P. E. station Wednesday at 11:30 a. m. from the Intermediate and other schools, cheered the drooping spirits of members of the Clothing Drive Committee and furnished work for all hands especially Mrs. Worley, the general chairman, Mrs. Myton who has charge of packing, and L. T. Rowley who directs collections.

The High School which usually manages to infuse considerable pleasure into its work, divided its students into two teams—boys in one—girls in the other. Each team was to endeavor to make the biggest pile. For demonstration purposes the boys built a cylinder of slats which was filled with clothing and reached almost to the ceiling with shoes festooning the top. The girls to offset it constructed an Amazonian female figure made of clothing on a framework of lumber. Art and science joined in this creation which was a labor of joy to the girls in the classes of Miss Brown and Miss Mueller. Its beautiful countenance regarded the audience gathered at the 12:30 assembly with as benign an expression as a goddess of plenty might wear, and it was quite up to the mode in stylish hat, shoes, hosiery and hobbie skirt. Though it, too, towered well towards the top of the room, the boys claimed their cylinder distanced it by a few inches and that therefore their "pile" was highest.

The offerings were brought to the platform by the representatives chosen from each class and there was great rivalry in the attempts to swell the piles which rose beside the totems of each team.

It constituted the sole business of the assembly except school announcements, the salute to the flag and the singing of the "Star Spangled Banner", with which assemblies always open.

Recent letters received by Mrs. John Cotton of San Rafael Ave., from her husband who is in Y. M. C. A. service in France, stated that he was just leaving Paris for his new appointment for educational work with the troops where he will have charge of instruction in the graphic arts.

TELL THE BOYS

EVERY BOY WHO SAW SERVICE
IN CAMP OR FIELD
INVITED

When you meet a soldier, a sailor, an aviator or any of the boys who saw service of any kind in camp or in the field; ask him if he knows about the supper at the First M. E. Church tomorrow evening. Tell him he's cordially invited whether he has received a card or not and that he is expected. Tell him to notify his comrades, every one of them. Do your best to have every boy there—every one who lives in the lower San Fernando Valley. Stop them on the street and ask them if they've heard about it. They're to sit down to a fine supper, served by the ladies of the Glendale churches, at 6:30, and afterward are to talk about forming an organization something like the G. A. R. Only to talk it over, mind you, for the organization is to be consummated on next Tuesday evening. The church ladies will be mightily disappointed if all the boys are not there to enjoy that supper.

A FLYING VISIT

Major E. C. Henry of Omaha, Neb., brother of Mrs. Calvin Whiting, has just paid her a flying visit, arriving Saturday night and leaving Tuesday. He is a surgeon who has been in army service abroad in charge of a base hospital in the rear. He has his own private hospital in Omaha and when the United States entered the war he was a member of the reserve corps with the rank of Lieutenant. He was sent home with a detachment of wounded soldiers in his charge. Major Henry wished to see his sister before taking up and getting immersed in his hospital work in Omaha. He has always liked Southern California and was more in love with it this time than ever.

HIGH SCHOOL GOSSIP

Sophomores are planning to give a dance in April, probably the 11th, at the Masonic Temple.

Friday will be a busy day for some of the students of G. U. H. S., for it will include several important events. To begin with, the long promised playlet, "The Burglar," will be produced by five girls of the Senior dramatic class who have in turn acted as coaches for practice plays given by the department. All students who lack student body tickets will have to pay to witness it.

Friday afternoon the opening game in the elimination contest to pick the teams to compete for the Southern California basketball championship will take place in the gym on the Glendale campus between the local team and San Fernando High players. Student-body tickets will not be recognized for this and spectators will be required to pay. In the evening the football team will be entertained at dinner by the Girls' League.

The motto of the school appears to be "Let there be no dull moments."

RED CROSS WORK

WOMEN'S ORGANIZATIONS TAKE
OUT LIBERAL ALLOT-
MENTS

The cut out garments and the yarn allotted the Glendale Red Cross chapter are gradually finding their way into the hands of expert workers. Members of the Ladies' Aid of the First M. E. Church of this city have just agreed to be responsible for the making of eighty garments consisting of boys' suits, dresses and underwear for girls. About fifty per cent. of the allotment is still on hand.

Ladies of the Christian Church who took eighty garments to make, organized themselves into two teams with a captain for each. The contest is going on well. They may increase their allotment.

Members of the Colorado P. T. A. took out quite a quota Tuesday.

The cashier reports advices received that the yarn for sweaters and crocheted shawls is on the way and will probably reach the chapter the early part of next week.

INSPECTOR ENTERTAINED

Mrs. Ed Lee of Belmont street entertained at luncheon Wednesday Mrs. Wagner of Fullerton, state organizer and inspector of P. E. O. chapters. Mrs. H. E. Bartlett of Chapter L. was also a guest. Mrs. Wagner was in the city for the purpose of inspecting Chapter L., which was entertained the same afternoon at the home of Mrs. Charles Temple, 145 North Orange. Mrs. Ed Lee, Miss Dorothy Lee and Mrs. Mabel McFadden were assisting hostesses.

BESSARABIA PROCLAIMS INDEPENDENCE

STARTS OFFENSIVE ENGINEERED BY BOLSHIEVIKI
AGAINST ROUMANIAN ARMY OF OCCUPATION

(Special Service to Glendale Evening News)

WARSAW, (Polish Russia), March 27.—Dispatches from Chotin today said that the former Russian province of Bessarabia which Roumania has occupied, has proclaimed its independence and has established a soviet republic and started an offensive against the Roumanian army of occupation.

The Bessarabians have captured Sadagora, driving the Roumanians across the Pruth River toward Laru. The belief is expressed here that the Russian Bolsheviki are engineering the Bessarabian campaign to establish direct communication between Moscow and Buda Pesth. M. Liskim heads the new Bessarabian government.

NO DISORDER OR BLOODSHED

UNITED PRESS CORRESPONDENT THUS REPORTS ESTABLISHMENT OF HUNGARIAN SOVIET GOVERNMENT

(Special Service to Glendale Evening News)

BUDA PESTH, March 25 (Copyrighted 1919 by United Press. First direct dispatch from Hungary since Bolshevik uprising, filed March 25 by Edward Bing, United Press Staff Correspondent).—The Hungarian soviet government has been firmly established without disorder or bloodshed and with amicable relations continuing with the allied representatives. All aliens and allied soldiers have complete liberty. The popularity of British and American officers is unchanged. Everything has been socialized, including the army.

The reorganization was accomplished with the apparent approval of the wealthy and aristocratic, as well as the poor and humble.

The "Red" army is being organized on a purely voluntary basis. The soldiers are paid \$90 a month. The commissary of war will name the commanders, and all ranks are eligible to appointment.

Revolutionary tribunals have replaced courts of law. All industries have been ordered to continue work. All titles and ranks have been abolished and the stock exchange has been ordered closed.

Public baths have been ordered for the working classes and school children, and the government has ordered private bath rooms placed at their disposal on Saturdays.

AMENDMENTS TO LEAGUE COVENANT

EX-PRESIDENT TAFT AND PRESIDENT WILSON WORKING
BY CABLE TO MAKE IT ACCEPTABLE TO REPUBLICANS

(Special Service to Glendale Evening News)

Washington, March 27.—The White House disclosed officially today that former President Taft is working by cable with President Wilson in an effort to amend the League of Nations constitution so that it will be acceptable to Republicans.

The peace conference is now considering four amendments which Mr. Taft wrote and cabled to Paris at the request of President Wilson. The Taft amendments are understood to be designed largely to safeguard the Monroe Doctrine.

Administration circles believe the high tide of opposition to the league covenant has passed, and that both in Congress and throughout the country sentiment is turning toward the league.

COUNTRY-WIDE STRIKE OF TELEGRAPH AND TELEPHONE
OPERATORS IS THREADED

(Special Service to Glendale Evening News)

Chicago, March 27.—President S. J. Koenekamp of the Commercial Telegraphers' Union announced today that 400,000 ballots have been mailed to telegraph and telephone operators throughout the country, that they may vote on a nation-wide strike. Opposition to Postmaster General Burleson's administration of wire companies is said to be responsible.

IMMENSE EXPORT TRADE

(Special Service to Glendale Evening News)

Washington, March 27.—The Department of Commerce announced today that America's export trade has reached a value of \$20,000,000 daily. Experts say that if the average is maintained it means high wages and great prosperity.

In 1914 exports were \$2,000,000 daily and during the closing months of the war averaged \$6,000,000 daily.

UPRISINGS IN AUSTRIA AND ELSEWHERE

BERNE, Switzerland, March 27.—Bolsheviki uprisings in Austria and Czecho-Slovakia, are reported imminent. Any move against the Hungarian soviet by those two countries is expected to precipitate trouble.

MAYOR WOODMAN LEAVES L. A.

(Special Service to Glendale Evening News)

Los Angeles, March 27.—It was announced today that Mayor Woodman had left the city for a rest and that his duties would be assumed by Councilman Bert Farmer. The announcement created a sensation in official circles.

LARGE WEDDING

MARRIAGE OF MISS GERTRUDE
KLEIN AND MITCHELL FRUG
TO BE CELEBRATED SUNDAY

One of the happiest little girls in Glendale is Miss Gertrude Klein, daughter of Mr. and Mrs. B. Klein of 123 North Kenwood street, this city, whose marriage to Mitchell Frug will take place Sunday afternoon at 4 o'clock at the Synagogue in Los Angeles, Dr. Meyer officiating. The prospective bride, who is a stenographer, was employed in the Ford Agency for some time and will be pleasantly remembered by many who had business dealings with her.

Her fiancé was in the employ of the Merchants' National Bank of Los Angeles previous to the war and is now field auditor at Camp Lewis. Although he has been discharged from service he is returning there as a civilian, accompanied by his bride, and after he has completed his work they will come back to make their home in Southern California.

The wedding will be a large one and the pretty bride will wear a white satin gown garnished with lace, and will carry a shower bouquet of white roses and lilies of the valley. She will be attended by her sister, Miss Rose Klein as maid of honor, and by Miss Celia Sugarman, both of whom will be gowned in pink, and carry shower bouquets of Cecil Bruner roses.

James Frug, brother of the groom, will act as best man and he will also be attended by Lewis Snyder. Benjamin Klein will give his daughter away.

Following the church ceremony relatives and friends will be entertained at a reception and wedding supper served at the Elks' Hall at the corner of Brand and Colorado St., this city, at which covers will be laid for one hundred, Cecil Bruner roses and smilax featuring the floral decorations. After the bride has exchanged her wedding gown for a gray tailored going away costume, Mr. and Mrs. Frug will make their adieu and go north by train where they will tour Canadian cities before going to Camp Lewis.

Miss Klein has never been north of San Francisco and is looking forward to the sight seeing and change of climate with the happiest of anticipations and she will carry with her the good wishes of a host of friends, from whom she has received many beautiful wedding gifts.

WOMEN AT WORK

THEY HOLD AN ALL-DAY MEETING
AND TRANSACT MUCH
BUSINESS

The Lutheran pastor's wife, Mrs. Jennie Mottern, was the gracious hostess to the Glendale City W. C. T. U. all-day annual meeting last Friday, the 21st.

The Lutheran Church and parsonage were both generously thrown open to the accommodation of the work.

After the morning session in the church, consisting of business and reports, all adjourned to the parsonage home where long tables laden with tempting viands were spread awaiting the guests.

A very fine lunch (not at all "Hooverized"), was served and greatly enjoyed by the large company present, after which they returned to the church and resumed the business of the hour, the main feature being the election of officers for the coming year.

The election resulted in returning all the old officers excepting the corresponding secretary. Mrs. Mottern felt that she must be relieved of some of the many duties pressing her and declined re-election. She has been a very efficient and acceptable officer for the past two years and her declination was received with much regret. A rising vote of thanks and appreciation for her service was given. Mrs. Mary B. Fannett was chosen to fill the vacancy making the roster as follows: President, Mrs. Flora Lemon; Corresponding Secretary, Mrs. Mary B. Fannett; Recording Secretary, Mrs. Louise Morton; Treasurer, Mrs. Nannie Palmer; G. P. B., Mrs. Katherine Rowe; L. T. L., Mrs. A. M. Brooks.

Church Vice-Presidents: Presbyterian, Mrs. Julia Wilkin; Methodist, Mrs. T. L. Brown; Congregational, Mrs. Anna Yard; Christian, Miss Mary Chester; Baptist, Mrs. H. T. Anderson; Lutheran, Mrs. Jennie Mottern; Adventist, Mrs. T. D. Ford.

The reports showed a large amount of work accomplished, mainly through war service and the Dry Campaign, though other departments were not neglected.

IN THE HEAD SET

GLENDALE IS FOURTH LARGEST
CITY IN LOS ANGELES
COUNTY

A little book recently issued by D. B. Lyons, Registrar of Voters for Los Angeles Co., contains some information that will surprise many. It gives the registration of every incorporated city in the county and there are 37 of them. Of course, Los Angeles leads by a few thousands. Then follow in order:

Long Beach	17,092
Pasadena	16,944
Glendale	5,292
Pomona	4,904
Santa Monica	4,792
Venice	3,850
Alhambra	3,337
South Pasadena	3,174
Whittier	3,129
Monrovia	1,961
Huntington Park	1,804
Redondo Beach	1,744
Watts	1,643
Inglewood	1,358
Monterey Park	1,358
Burbank	725

The smallest city is Beverly Hills with a registration of 142. Glendale can now be credited with 56 more as the Grandview district came in since the book was issued. This makes Glendale's registration total 5,348. At the ratio of two voters to five of population this indicates Glendale's population to be 13,370. Of the 37 cities listed 21 of them show an excess of females over males. Vernon, the vice plague spot of the Pacific coast, has but 29 per cent. of females. All the larger cities have a large excess of females.

In the last ten years Glendale's population has increased five fold. It is confidently predicted that within the next five years the figure will reach 20,000 to 25,000.

WM. RICHARDSON MITCHELL

A long name but it sits lightly on the broad shoulders of the new son of Mr. and Mrs. Shives Mitchell, who arrived at the home of Grandma Richardson Wednesday evening, March 26th. The young man weighed nine pounds when he arrived and immediately took up his duties and responsibilities as if he had long been accustomed to this old world. No doubt he is aware that he is named for a soldier, his uncle and namesake, E. William Richardson, being with the army of occupation in Germany.

SOLDIERS' AND SAILORS' SOCIAL

Officials of the First Presbyterian Church of Glendale are repeating in every varying tone of cordiality the invitation to soldiers and sailors who have returned from camps in this country or from service abroad, and their friends, to attend the social which is being given tonight at the Presbyterian Church to welcome them. A good program has been provided to be followed by a social good time and refreshments.

AWFUL JOLT

It was genial Bobby Burns who wrote so feelingly, when he saw a louse (not a cootie, though) crawling on a fashionable lady's bonnet: "O wad some power the giffle gie us To see ourselves as others see us." So maybe the frank statement below of our many faults may show us how "others" regard us and maybe cure us of some of our conceit. The article is clipped from a recent issue of the Cleveland, Ohio, Plaindealer, and was handed us by Mr. A. W. Scudder, a former citizen of Ohio. The writer is just a bit off, however, in his statement that Justice Cox of Santa Ana, who has won fame all over the nation for insisting on giving autoists who exceeded 50 miles an hour jail sentences. The Auto Club is not in such small business as trying to defeat an upright judge for punishing lawbreakers and even if they were so inclined we doubt if they have enough money to accomplish so nefarious a purpose, for Judge Cox's fearless persistence in doing his duty without fear or favor has made him many friends. Riches and high station cut no figure with Justice Cox. The article follows:

LOS ANGELES, March 12.—"We think we have a wonderful automobile club in Cleveland, but I take off my hat to the Los Angeles Automobile Club," said Dr. John H. Quayle, president of the Cleveland Automobile Club, who is spending the winter in the "City of the Unburied Dead," as he facetiously calls Los Angeles

ONLY A VOLUNTEER

HIS MELANCHOLY STATE AS SEEN FROM HIS OWN VIEW-POINT

Sergt. Wm. R. Anderson, Co. H, 1st U. S. Infantry, 13th Division, composed the little poem below in camp, Schofield Barracks, Honolulu, H. I.:

Why didn't I wait to be drafted
And led to the train by a band,
Or out on a claim of exemption,
Oh, why did I hold up my hand?
Why didn't I wait for the banquet,
Why didn't I wait to be cheered?
For the drafted men get all the credit
While I merely volunteered.
And nobody gave me a banquet,
Nobody said a kind word.
The puff of the engine, the grind of
the wheels
Was all the good-bye I heard.

Then off to the training camp hustled
To be drilled for the next half year,
And in the shuffle forgotten,
For I'm only a volunteer.
And perhaps some time in the future
When a little boy sits on my knee
And asks what I did in the great war
And his little eyes look up at me,
I will have to look back into those
eyes
That, at me, so trustingly peer,
And confess that I wasn't drafted,
I was only a volunteer.

and its suburbs.
"We used to boast that we were the largest automobile club in the country, but we can't do so any longer," continued the Cleveland surgeon. "The L. A. Club, as it is called for short, has more than 17,000 members, and its activities are amazing. The roads all around Los Angeles are better marked than anywhere else in the world. We have done quite a bit along those lines around Cleveland, but nothing to compare with what has been done out here. The first thing I do when I get back to Cleveland will be to have some of the dangerous curves marked for the protection of Cleveland motorists."

"Of course, with the tremendous membership of 17,000, the L. A. Club has ample funds to oppose unjust legislation. I have been fighting for many legal reforms for the protection of Ohio motorists—especially for protection against auto thieves. An auto thief should be treated like a horse thief, and the time is coming when he will be. Our laws have not kept pace with the development of the automobile industry and there is a lot of work ahead for the next president of the Cleveland club. When I finish my present term I'll be ready to retire."

"What the Los Angeles club does that we should emulate are its efforts to protect its members from unjust fines and sentences from rural judges and officials. There used to be a judge at Santa Ana, a suburb of Los Angeles, who was in the habit of giving stiff jail sentences for speeding. His prejudices were so great that the Los Angeles club got busy at the last election and in a vigorous campaign suc-

Mrs. Mildred Mae Goetz will render Longfellow's poem entitled 'Hiawatha's Wooing' at the entertainment being given at Hurt's Hall, Glendale, tomorrow night, at eight p. m., under the auspices of the Glendale Branch O. S. Health and Success Club.

The entertainment committees of three lodges have arranged a versatile program of singing, speaking, tableau and dancing.

A picture specially painted for the occasion by Marjorie Moore of Glendale will be auctioned to defray expenses.

Piano and drums will furnish music for dancing.

The program is as follows: Vocal solo, Rev. A. Wm. Goetz, Because I Love You, Dear, C. B. Hawley; piano solo, Miss Lulu Myers; The Awkward Squad, Mrs. M. Reid, Messrs. Grassel, Reid, Cunningham, Master Everett Hoagland, Rev. F. L. McHenry; vocal duet, Mrs. A. A. Moore and Mr. Kuhn; piano solo, Mrs. Glauin; Bachelor's Dream, tableau directed by Mme. Shindler; Bachelor, Herbert Cunningham; visions: Ireland, Miss Messier; Scotland, Ruth Cunningham; Russia, Mrs. M. Reid; Japan, Miss Walsh; Italy, Mrs. Madden; Spain, Rev. Hazel Hanson; Holland, Miss Meyers; France, Miss White; America, Miss Cunningham; vocal solo, Gladys Alexander, At Dawning, Wakfield Cadman; recitation, Mrs. M. Goetz, Hiawatha's Wooing, Longfellow; vocal solo, Mrs. M. Moore, Dear Heart, Mattei.

Auction of picture painted by Mrs. M. Moore. Dancing. Everybody welcome.

The city of Watts and the city of Los Angeles are both in the lime light in an unfavorable way, the former having a superintendent of schools that has been accused of being in a stewed condition, and the latter having a mayor that has been accused of having accepted bribes.

ceeded in defeating him. Some of our rural officials need a little lesson of this kind now and then just as a gentle reminder, you know.

"The roads throughout Southern California are unquestionably the finest in America. This is my first winter on the Pacific coast and I'll confess that I'm not as enthusiastic about Los Angeles' climate, its people and its opportunities as I am about its wonderful automobile club. The climate here is 'rotten.' That's the only word for it. As John Farley used to say about Southern California: 'Its fruits have no flavor, its flowers no fragrance, its men no collars and its women no style.' Los Angeles, of course, is merely a provincial town and from the looks of most of the people in the streets they have come out here from Iowa and the middle west to die."

"Pasadena, about twenty minutes out from Los Angeles, is full of the living dead. Really, it's a wonderful place for a doctor. For if you get a cold out here—and nearly everybody does—you think you are going to die. I came out here for a rest, but every day I get telephone calls from Cleveland friends who are down and out from the climate. The genial warmth of Southern California is largely a myth. I was told that this section was the garden spot of the world. Well, somebody must have moved the garden away. All I have been able to find is the spot. As Bill Ross puts it, Los Angeles is a city of wonderful roads that take you nowhere, and of beautiful houses with nobody home. An English sparrow or two would give this town a metropolitan appearance. However, Los Angeles has the greatest automobile club in the world, and we'll have a darned hard time trying to be a poor second."

BUILD NOW
A commission was recently ap-
pointed in Chicago to investigate
prices of building materials of all
kinds and ascertain if they could not
be lowered. The commission made
an exhaustive report to the effect that
the investigation had taken a wide
range but that the conclusion arrived
at was that there was no possible re-
duction in sight for years to come, if
ever. So the committee recommend-
ed that the building program be re-
sumed at once. Do not the condi-
tions apply as well to Glendale?
Many want to build but are holding
back because of the high cost of ma-
terial. If it is thoroughly under-
stood that there is no chance of a re-
duction in prices, there will probably
be many houses commenced in Glen-
dale at once.

Personals
Miss Inez Harrison, daughter of
Mr. and Mrs. M. P. Harrison of Ken-
wood street, is ill and under the care
of a trained nurse.

The Glendale-Montrose Railway
Company began on Tuesday the re-
moval of its tracks on Wilson avenue
from the south side to the center of
the street. The job will probably
take six weeks to complete.

James Wilson who for years was
associated with the MacMullin Sanitary
Dairy has just returned from a
three months' visit with friends in
Philadelphia and will take charge of
the office of the Glendale Creamery
Company.

Mr. Lanterman of the local Ex-
emption Board reports that a consid-
erable part of its office equipment has
been sold but a few rough tables,
some cabinet and other files are left
which can be had for 50 per cent.
less than cost and in some cases an
even greater discount.

Dr. and Mrs. H. W. Vanderhoof of
247 North Jackson street are enter-
taining this week Miss Callie Scho-
field and Miss Ella Kelley of Whea-
ton, Illinois, the town in which Dr.
Vanderhoof practiced for many
years. The ladies are touring Califor-
nia.

William Renshaw, who is a junior
in Throop Institute of Technology, is
spending a week at Balboa Beach in
work with a surveying party. It is
said that the juniors are now the
seniors in the sense that they are the
top class, the real seniors having all
gone to war.

Mrs. C. L. Peckham, president of
the Woman's Relief Corps of the N.
P. Banks Post, reports that the Red
Cross Clothing Drive made by her or-
ganization yielded 140 pounds, which
were delivered to the collection de-
pot established in the Mercantile
Building on San Fernando Road.

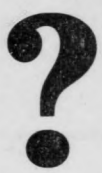

Mrs. H. W. Yarik of 347 W. Wil-
son is chairman of the Drive now on
in Glendale for the Y. W. C. A. With
the many competing Drives claiming
attention she is not finding it easy to
secure the quota assigned Glendale,
small though the amount is, only
\$100. There is a strong sentiment
supporting this organization which is
doing a big work for the working
women of our cities and striving to
throw a protecting arm around in-
experienced girlhood when thrust into
the workaday world. The women of
the community who have stood back
of it in the past are asked to remem-
ber it now and not let it be pushed
aside by other claims worthy though
they may be.

James L. Grose, the proprietor and
manager of the Grose Vulcanizing
Company, has great confidence in the
future development of Glendale and
has manifested his confidence in a
very substantial manner by his re-
cent purchase of the northeast cor-
ner of Broadway and Maryland av-
enue. He has entered into a contract
with Chas. W. Kent & Son for the
erection of a reinforced concrete shop
and store building and double oil
station, with an ornamental colon-
nade around the entire lot which
combines an ornamental fence with
concrete columns with hanging bas-
kets between the columns. This
will all be finished with white stucco
and will make a very handsome im-
provement for this corner.

DO NOT "TREAT 'EM ROUGH"
Officials of the Glendale Red Cross
Chapter bespeak courteous treatment
and generous response to a canvass
which will be made this week by five
or six soldiers soliciting subscriptions
for the Red Cross Magazine. This
is the official organ of the national
organization and the source of a
large amount of its revenue. It is
well worth the subscription price.
Since its success in securing adver-
tising and increasing its revenues is
largely dependent on the size of its
subscription list, it is important that
the periodical should circulate large-
ly. For that reason the special can-
vass is being made at this time by
soldiers sent out by the local chap-
ter.

UP-TO-DATE OCTOGENARIANS

A luncheon given by Mrs. John
Hobbs Wednesday at her pleasant
home at 920 South Central avenue
was somewhat out of the ordinary be-
cause the guests of honor, Mrs. Col.
John Wilcox of Hollywood and Mrs.
Louis Conger of North Dakota, were
81 and 77 years of age, respectively,
yet were as active, as up-to-date and
as interested in world affairs as any
who gathered about the hospitable
table of the hostess who was assisted
by her daughter, Miss Dorothy
Hobbs. Guests besides those named
were: Mrs. Robert Fitz and Mrs.
Herbert Kidd of Hollywood, Mrs. An-
drew Stephenson and Mrs. John A.
Logan of this city. The special
guests named were cousins of Mrs.
Hobbs' father, Mr. West, and grew
up with him in the town of Oneida,
Illinois, where three families of Con-
gers and the West family were neigh-
bors on four corners. It seemed re-
markable to bring so many of these
relatives together here on the Pa-
cific coast so far from their native
state.

Col. John Wilcox, husband of one
of the guests, was instrumental in
founding the Octogenarian Club of
Los Angeles six years ago to which
only men eighty years old and over
are eligible as members. Last week
the club celebrated the birthday of
Col. Wilcox with a dinner at which
covers were laid for fourteen men,
all past 86 years of age, one guest
owing to ninety-seven.

MONTHLY DINNER
N. P. Banks Post and Corps will
have their monthly dinner Friday,

tysburg. A large attendance is re-
quested.

ST. MARK'S CHOIR NOTICE

TURKEY BANQUET
FINE PROGRAM TO FOLLOW DIN-
NER TO SOLDIERS AND SAIL-
ORS FRIDAY NIGHT

The committee having in charge
the mass meeting which is to follow
the banquet to soldiers and sailors
at the First Methodist Church Friday
evening has announced a great at-
traction.

The meeting will convene at eight
o'clock in the auditorium of the
church. Seats in the center will be
reserved for the special guests who
will march in at the conclusion of the
dinner.

Mayor Woodberry will preside and
the chief speaker will be Dr. L. T.
Guild of Los Angeles, a magnetic
speaker and patriotic orator who
toured Europe and the Orient just be-
fore the war and had opportunity to
witness some remarkable instances
of the machinations of the German
government in Europe and western
Asia. He is a man of splendid phys-
ique and wonderful diction. His
theme will be "America's Part in the
War."

There will be community singing
and war songs and if it is possible to
secure him they will be led by Pro-
fessor Kirchhoff who directs the
Community Sing.

This is announced as a strictly pa-
triotic affair without regard to church
affiliations, the Methodists having
merely loaned the use of their church
to accommodate the many who would
wish to come together for a real, big
demonstration of welcome to the boys
who have returned from camps at
home or abroad or from the fighting
front.

The banquet, which will be limited
to soldier and sailor guests and
served in the banquet hall of the
church, is to be a sumptuous affair,
the menu reading as follows:

Turkey and dressing with mashed
potatoes, rolls and jelly, salad, salted
peanuts, pie a la mode, cheese and
after dinner coffee.

An effort has been made to reach
every returned soldier and sailor in
the community, but if by chance
there are any who have failed to re-
ceive invitations, they are urged to
present themselves just the same,
and all prospective guests are asked
to telephone C. D. Lusby of the Glen-
dale Savings Bank, that the commit-
tee of arrangements may know how
many covers to lay and to wear their
uniforms Friday night.

SUNDAY SCHOOL WORKERS DINE

About thirty-six officers and teach-
ers of the Sunday Schools of the
Tropico Presbyterian Church and of
the Central Methodist Church of this
city were entertained at a dinner giv-
en in the social hall of the church
last named Tuesday evening. Fol-
lowing the dinner a program was
given in the auditorium of the church
which included vocal numbers by Dr.
Joseph Marple, readings by Mrs.
Brown of Los Angeles, and a fine,
practical talk on Sunday School
Work by Dr. Dowling, secretary of
the Southern California Association.

MORE WORKERS NEEDED

Ezra Parker, Chairman, and Roy
L. Kent, Secretary for the Salvation
Army drive for funds in Glendale re-
port that they need more solicitors.
Everything is moving smoothly, \$500
in round numbers having been sub-
scribed up to noon today but contri-
butions and workers will both be
welcome at headquarters, 117 South
Brand.

MAILING CARDS TAKE ONE CENT
POSTAGE

Mailing cards, not within the gov-
ernment specified sizes for postal
cards, and not marked post-card or
private mailing card on the face
thereof, can be mailed for 1 cent
postage for each two ounces or frac-
tion thereof.

In other words, a plain piece of
cardboard, 4x6 inches in size, with-
out printing on the face, can be mailed
for 1 cent. The government postal
costs 2 cents, including the card-
board. The other costs 1 cent plus
the cost of the cardboard, making a
net saving by using the latter of
about three-fourths of a cent—more
or less, according to the quality of
stock used. This rate applies only to
third-class matter, which refers to
printed communications mailed in
quantities of at least twenty identical
copies.—Southern California Editor.

HOPE ASCENDANT

wife of the police official, will be glad
to know that her condition this
morning is considered very favorable
following the operation which she un-
derwent yesterday morning at
Thornycroft. She is the daughter of
Mr. and Mrs. Charles Casselman of
451 West Elk avenue, who have been
very anxious about her and who are
now very hopeful. Her sister, Mrs.
J. Beale, of San Francisco, arrived
this morning on the S. S. Governor
and will remain until assured of Mrs.
Lampert's recovery.

urday, March 29th. Delegates from
every State in the Union are in at-
tendance.

The jubilee convention, which
commemorates the fiftieth anniver-
sary of the granting of suffrage to
women in Wyoming in 1869, was at-
tended by some of the best known
suffrage leaders. In 1869 the Na-
tional Suffrage Association was form-
ed, to be followed by the American
Suffrage Association. In 1890 they
were merged into the National Amer-
ican Woman Suffrage Association. For
fifty years the organization has been
continuous.

As the most fitting memorial to the
half century of campaigns, women of
the country were invited to send de-
legates to a Woman Voters' Confer-
ence. Upon this foundation the con-
vention hopes to build a New Nation-
al Voters' League.
Each fully enfranchised State was
represented in the league Conference,
including Wyoming, Colorado, Idaho,
Utah, Washington, California, Ore-
gon, Montana, Nevada, Arizona, Kan-
sas, New York, Michigan, South Da-
kota and Oklahoma. Each State
sent fifty delegates.
Some of the questions raised in
general at the discussion were: "Why
does the United States lag behind
other nations in extending votes to
its women?" "By what policy can
the enfranchisement of women be
most speedily brought to final
triumph?" "Are women voters
treated with the dignity and the re-
spect they merit at the hands of po-
litical parties?" "Have women vot-
ers accomplished the best results
with their franchise?" "Can women
voters work for good causes most ef-
fectively as an independent, non-par-
tisan group outside the party, or as
partisans within the party?"

WOMEN AT WORK

(Continued from Page 1)

Notwithstanding the illness prevalent so many months, only three meetings were banned and thirty-nine meetings of various kinds were held.

Seventeen new members were secured, and the treasurer's report

showed that the financial budget reached its high water mark of \$670.23 raised and expended in the work. The French, Belgian and Armenian relief calls received a share and the Red Cross was not overlooked; most of the members being also members of the Red Cross Association, giving liberally of time, work and money to that great cause.

Liberty Bonds and Thrift Stamps purchased manifested a patriotism equal to that of other societies, while the service banner with its twenty-eight stars and three triangles has been a silent testimonial in every meeting of the loyalty of W. C. T. U. mothers.

In her address the president referred to some historical facts in the life of the organization which are familiar to all who have followed for many years the course of this great organization, closing with the following exhortation:

"We must still carry on." While rejoicing over the victories won we recognize that there are yet many evils that menace the home life and the social morality of our land. Our National Mother has just launched a new campaign for a million members and a million dollars with which to promote the cause and principles for which we stand. The world prohibition movement, a colossal enterprise, is primarily our own task, as we were first to enter the foreign field for the specific purpose of eliminating the liquor traffic. For thirty-five years we have been sending missionaries, money and literature to impress the fact upon other nations that intoxicating liquors are not necessary but a dangerous evil. Over forty nations have responded to our work in some measure. We must lengthen our cords, strengthen our stakes and increase our boundaries.

Three hundred thousand of the proposed million is to be used for foreign work and the prevention of our country transferring the nefarious liquor business to other lands.

On motion, which was unanimously carried, a memorial was ordered sent to President Wilson, through Congressman Randall, asking him "to take determined action to withdraw the protection of the United States from any citizen who goes from this land to propagate the booze traffic in China or any other foreign country."

The next regular meeting of the Union will be at Arbor Rest Home Sanitarium, 1209 E. Lexington Drive, with Mrs. Daisy Grant.

"Mamma, Won't You Buy Me That?"

Do you wonder the young girl so exclaims as she looks pleadingly into Mamma's eyes after gazing entranced upon the beautiful hats in Mrs. Yarbrough's display windows?

SUCH WONDERFUL CREATIONS

of the milliner's art cannot but appeal to the beauty-loving nature of the young maiden, and then there are desirable shapes for Mother and for dear old Grandma as well.

Any Taste in Ladies' Headwear Can Be Gratified at This Up-to-Date Millinery Store.
